**To obtain your NVA Vision Network discount on vision services and supplies:**

- **Check** the new directory for vision providers that provide discounted services in your area. Since the information contained in this directory is subject to change without notice, it's a good idea to check with any providers you'd like to see and make sure they're still affiliated with this program.
- **Present** the reusable coupon to the provider at the time of the visit. If you do not use the coupon, you may not receive the available discounts.
- **Purchase** the routine vision exams and/or glasses you need. Before paying the provider, it is your responsibility to confirm that you are receiving the discounts listed on the coupon.
